[VPAR Strategic Plan 2020-2023](#)

Begin your path to leadership and volunteer for your Association in 2022. As a volunteer you will have excellent opportunities to network with your peers and the community - and that makes good business sense! Research shows that the people who work on association committees are:

- better informed
- better at networking
- better prepared to act on trends and regulation impacting their business

VPAR leadership will review all applications and announce appointments this November. All appointees will be notified by email with your committee, subcommittee or council appointment(s) and meeting date(s).
